

Dear Chamber Member:

After 56 consecutive years and over 670 awards to top students and teachers, the Conway Chamber's Salute to Education program continues to recognize academic excellence, exceptional leadership, and service to community exemplified by our area's outstanding high school seniors.

Our Salute to Education is only possible each year because of the dependable support of business and industry leaders, such as you. This has truly been a wonderful example of business and education working together.

Teachers, students, and parents sincerely appreciate your involvement, and we would like to ask you to continue to be a part of this important event.

The awards luncheon is scheduled for March 12th in the multipurpose room of Horry Electric Cooperative, 2774 Cultra Road, Conway at 12:00 noon. At the event, we will honor Class of 2025 Outstanding Senior applicants from the Conway area. A scholarship will be awarded to one student based on academic achievement, commitment to community, and an interview process involving area business leaders. Teacher honorees are chosen by each student for having served as an inspiration to excel in the life of that student.

In order to make this program possible, we would very much appreciate your serving as a Sponsor in the amount of \$300 (Major Sponsor) or \$100. For your contribution, you will receive complimentary tickets to the awards luncheon on March 12th and receive recognition in the event program and media opportunities.

We know that it is important to set high expectations for our children. We have also learned that it is equally as important to praise them when they are successful.

Please respond by saying YES to our request and mailing your check with the enclosed form. If you prefer, email your sponsor commitment form to cwilliams@conwayscchamber.com or fax to 843-248-0003 with your intentions, and we will invoice you for your pledge.

Thank you in advance for your consideration and for your continued support of programs of the Conway Chamber of Commerce.

Sincerely,

Phillip L. Hendrick, Jr.

Phillip L. "Le" Hendrick Jr.
Vice President of Educational Programs
Conway Chamber Board of Directors
